## Principal Mr. George H. Wood

1965

To All Landonites-

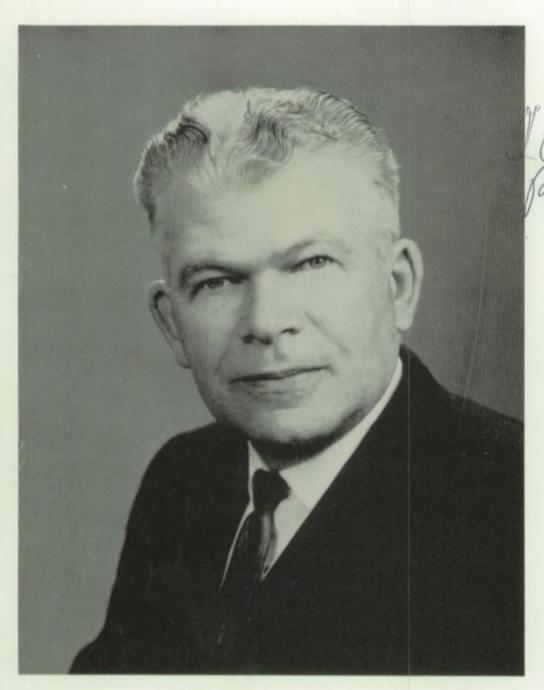

It has been most wonderful to be at Landon.

Sincerely,

Mr. Hood

For the past twenty-five years, the student body of Julia Landon High School has been under the capable leadership of Mr. George H. Wood. This year not only brings to a close his twenty-five years of service but also his career as a principal, for after this year he is retiring. We, the senior class, would like to thank him for his unselfish devotion to Landon and her students and to wish him happiness in the coming years. He will always be remembered as an important part in the history of Landon.

## Assistant Principal

#### MR. ROBERT WARNER

Mr. Warner has faithfully given his services to Landon High School for a good many years now. As our assistant principal he has set a good example for all Landon students to follow. He is always ready to offer his helpful assistance. Mr. Warner has earned the respect of every senior and to him we wish to say "thank you." His loyalty and supervision are much appreciated.

### Dean of Girls

#### MRS. FRANCES THOMPSON

For the past five years, the girls of Landon High School have been under the capable leadership of Mrs. Frances Thompson. Taking care of all the girls in Landon is no easy job—it takes plenty of understanding and patience. We are fortunate that our dean of girls possesses both of these qualities. In our memories of Landon we shall always remember our dean of girls as the wonderful person that she is.

History

And time passes on . . .

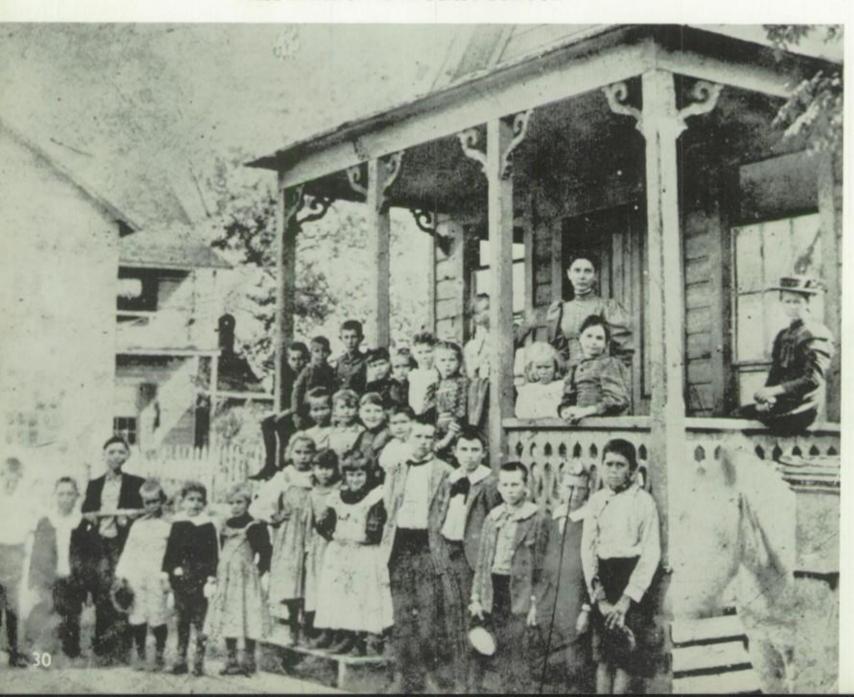

"The history of Landon is but the biography of great leaders"

## Julia Landon . . .

Shortly after the end of the Civil War in 1865 a family from Ohio moved to north Florida. They bought eight acres of land in what is now Jacksonville, Florida and proceeded to build a log cabin in which they were to live until 1890 when they built a ten room home which housed three generations of this family.

This family was that of Julia Landon. Julia grew up in the time when there was no school on the southside and the only way to get to town was by ferry. After Miss Landon was out of school she began teaching in the first school in the southside.

#### MISS LANDON AND FIRST SCHOOL

... the ideals

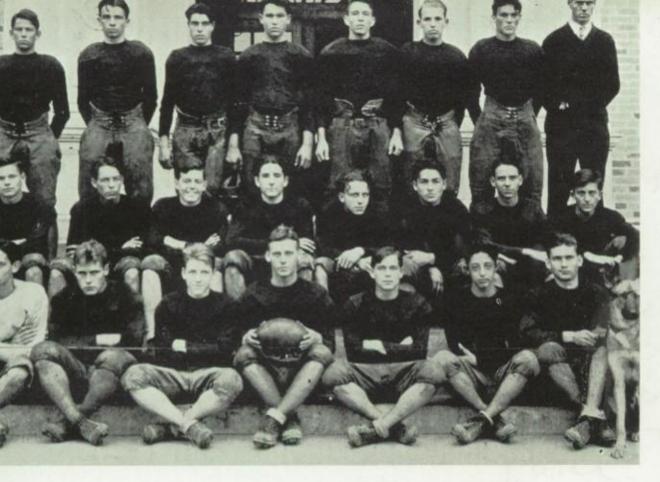

When it was decided that a senior high would be built on the southside, a petition was circulated to have the school named after Julia Landon.

Miss Landon was always proud of her namesake and she attended every graduation until her death in 1939. Once when she was questioned about the school, she said, "Why that's the finest school in the whole country."

### THE LION'S CREED

HONEST: I will protect my good name both in my school and in my community; I shall not yield to the temptations of cheating; I will guard my friends, teachers, and my school against unfounded rumors and dishonest actions of others whenever the opportunity presents itself.

DUTIFUL: I will realize my duty as a student to maintain as high a scholastic average as possible, always guiding myself by the rules of my school; I will perform all my duties of service to Landon efficiently and promptly. COURTEOUS: I will be friendly and polite to my teachers and fellow students; I will care for the property and rights of others as well as those of my own; I will be a good sport both as a participant and as a spectator. In doing these things I must always be friendly, co-operative, thoughtful, and respectful. LOYAL: I will remember at all times that I represent Landon High School, knowing that she will be judged not only by my behavior but also by my speech; I will be loyal to my school by promoting school spirit and supporting her activities; I will uphold this code and its standards wherever

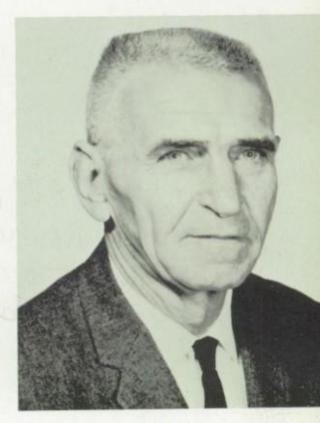

I go.

"East is East and West is West and never the twain shall meet." L.H.S. has proven the exception to this cliche, however, for not only have they met, but they have joined hands in helping to promote national peace. Vivi-Anne Kvick and Carlos Solis (who was with us during the first semester.), our foreign exchange students from Sweden and Guatemala respectively, have come to our shores not only to learn, but also to teach us of their culture.

Through the knowledge that these students carry with them, there is a chance that the future holds peace for all nations. Only an informed public will be able to overcome all obstacles in reaching this world-wide goal.

"A new life started when I entered the doors of Landon in September, 1964; a life with complete new society, school, and language. What would it be like —strange, fun, hard, or amusing? It has been all of these. I always knew my fellow students and teachers were behind me. A more wonderful school atmosphere is hard to imagine. You have always given me understanding, help, and advice—things that made my year happy and successful. My thanks and love for you all couldn't be greater. Thanks for your enormous contribution to A.F.S. and me."

#### A MESSAGE FROM YOUR EDITOR

It is said that all good things must come to an end, and so it is with the 1965 Landonian. We, the staff of this year's annual, have worked long and hard to give you a memorable picture of Landon's final days as a senior high school.

I consider it an honor and privilege to have been associated with this year's Landonian staff. I will always be indebted to them for their unselfish efforts in making this last edition of the Landonian a treasured book of memories. I would like also to express my gratitude to Mr. Gordon Reeves, our sponsor, and Mr. Lon Watters, our consultant from Taylor Publishing Company, for without their help and guidance, this book could not have been possible.

The Landonians of the past have formed memorable pages in the chapters of Landon's proud history. In 1927 the first page of this history was written, and each year another chapter has been added. Now comes the conclusion of a long, proud road of existence, marked by triumph, success, and recognition.

It is not today that you will appreciate the *Landonian*, but tomorrow, when it is not so easy to think back to 1965. We will treasure always the memories this book holds for us. We, the *Landonian* staff give you, the final chapter of Landon Senior High School.

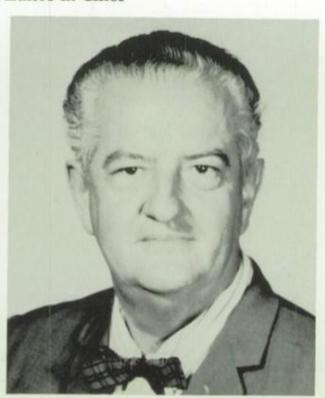

Sincerely, Marka Booher Editor-in-Chief

## Lion's Roar

The 1964-65 Lion's Roar Staff has diligently worked throughout the year to produce a bi-monthly newspaper that you, the Student Body, would find both informative and enjoyable.

Yes, since the staff was announced at the annual banquet last May, we have pushed forward with one goal in mind: "to make Landon's last Lion's Roar, the very best yet!"

We, the Nucleus Staff, would like to thank Mr. Reeves, our Sponsor, for his complete cooperation; to the faculty for its assistance; and the Colemans, our printers, who were most patient even when our deadlines were not met!!

Even a heartier "Thanks" goes to you, LANDON—for because of the cooperation we have received from you, we, the *Lion's Roar* Staff, feel that we have attained our utmost goal!

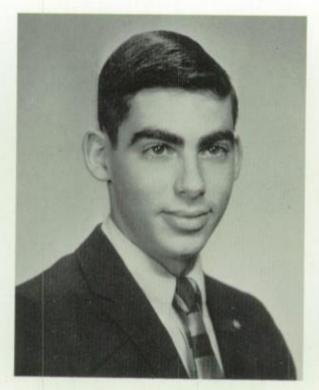

Sincerely,

Key Club has been proud to serve Landon as her only boys' service club.

Among the various activities of the year were "The Sweetheart Dance", landscaping project, car permits, and helping Civic Organizations as the March of Dimes.

We are grateful to Mr. William Blois, and Dr. Richard Bean for their unfailing guidance and patience.

The Library Council, being a service organization, presents a great responsibility to its student members. These students meet this challenge by contributing their time and energy to such services as assisting with circulation of books and materials, shelving, taking inventory and doing such duties as required of them. Thus they gain a better understanding of library services and also a knowledge of the arrangement of books which might be helpful to them in their future education.

Every year the Landon French Club participates in the "Congres de Culture Francoise en Floride" (C.C.F.F.) along with many other schools in the State of Florida. This year the Congres will be held in Miami at Berry College. Since the cost per student participating has risen considerably, our main objective has been the raising of money. French Landonites have engaged in cake sales, paper drives, and the Fall Festival in order to attain this goal.

Our monthly meetings are always honored by the presence of some eminent French person who discusses with us the political, social, and economic views of France.

For the first time, this year we had joint meetings with other schools' French clubs so as to acquaint ourselves with students of common interest (French).

We are also proud to have one of our French Club members as the Vice-president of the C.C.F.F.

The Junior Red Cross, again, has had a very busy year. Beginning with the annual Thanksgiving basket, in which Landon students were asked to bring canned foods for a needy family. This project was a huge success, as it made a family know that they were being thought of on this occasion.

The Landon chapter of the Red Cross is very active in the county chapter and has always been active in our own school. Red Cross urges everyone to donate, as this is a very worthy cause.

the purpose of the Art Council is to promote an interest and appreciation of art among the student body at Landon. Around the school we have been busy rehanging and refurbishing pictures taken down during the construction, besides holding our annual art shows at both Southgate and Landon. ### Cheerleaders '64-'65

We, the '64-'65 cheerleaders, have been especially proud to have cheered LANDON on to its final and finest year. The beak of spirit that has been reached throughout this year has helped LANDON through its games, tournaments, victories, and defeats.

As we look back we can visualize only too well all our shin splints, pulled muscles, and sore feet that we acquired during our spring tryouts. May 29th, when our nine names were yelled out by the '63-'64 cheerleaders, was just the beginning of our becoming LANDON'S last cheerleaders.

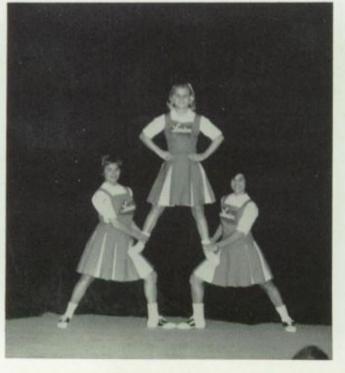

Everything was like a dream until the day of our first pep rally when it then became reality. That sensational feeling of running down the aisle with all the students standing and yelling with us has been a part of us from that first day. These experiences, fun, smiles, happiness, chills, and tears have all been included in our most wonderful year at LANDON. Everyone loved the poster parties and the bonfires which helped raise the spirit for our many games—from football to

basketball to baseball.

The morning Fletcher football game was our first chance to cheer for our new team, and it seems as though September were only yesterday. From that time on, the growing spirit of LANDON never ceased. Most unforgettable is the glancing back at the stands after our victories and seeing that all of LANDON was on the field or the court showing our boys that LANDON was certainly behind them.

It's hard for nine sisters to say goodbye to each other and to all the fond memories that have filled our senior year. But the end is here and we must depart, hoping that we will always be remembered as LANDON'S last cheerleaders.

We opened the season against Fletcher, who as usual had another strong team. Although we were 21 point underdogs, an inspired effort held the Senators to only 12. This must be classed as one of our best games of the season. Next came a hard-knocking Ribault team. Several boys were injured during this struggle. The Trojans used superior weight and speed to grind out yardage on the ground. For our third game we traveled to Punta Gorda. They dominated the first half, scoring their T.D. on a sustained drive. But the tables were turned in the second half as we controlled the ball. Bob Padgett recovered a fumble in the end zone to knot the score and gain us a tie. Our first win came against Orange Park. They were never able to get inside the 25 yard line and we had other scoring chances that failed. An inability to score when we got close brought about our loss to Bolles. Had it not been for a few bad breaks the game might have been a different story.

Our sixth game was with Bishop Kenny. Andreu recovered a fumble on the two but we couldn't push it over for a score. The game was played on even terms with the exception of a long pass resulting in Kenny's T.D. Next came Englewood. We jumped off to a quick 7-0 lead in the first quarter with Burton passing to McEvoy for the score. We held on till the last seconds of the half when they scored on an 80 yard pass. The second half was dominated by the Rams. Homecoming was spoiled as we could do nothing to stop a powerful Paxon team. A rash of fumbles also hurt us. Terry Smith carried the ball over on a quarterback keeper. A strong defense held Forrest scoreless as our only score came on a 25 yard field goal in the closing moments of the second quarter. The game was a seesaw battle with neither team having an offensive threat. Our final game came against a spirited DuPont team. Costly errors early in the game put it out of reach much sooner than should have been the case.

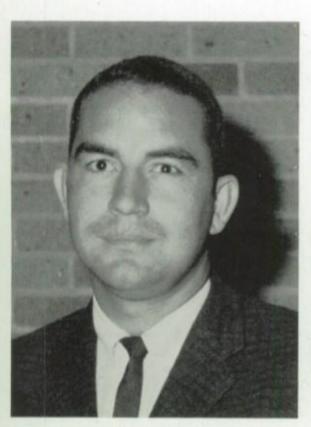

### Football Coaches

After serving as a junior varsity football and basketball coach, Coach Cunningham was promoted to the position of head football coach and athletic director. In this capacity, he has done his best to improve all aspects of the sports programs at Landon, and has succeeded in gaining the admiration and respect of all.

This being our last year of participation in varsity sports, hopes were high for a truly outstanding football season. But the breaks did not fall our way and our record was not as good as it might have been. Although winning is an important part of sports there is more to be gained than victories. It may never be said that our team gave up, fighting sometimes in the face of insurmountable odds. This too is a vital aspect in the overall picture of athletic competition. Let this year's team be remembered as one which upheld the Landon tradition of a never say die attitude.

#### COACH DARRELL LEAKE

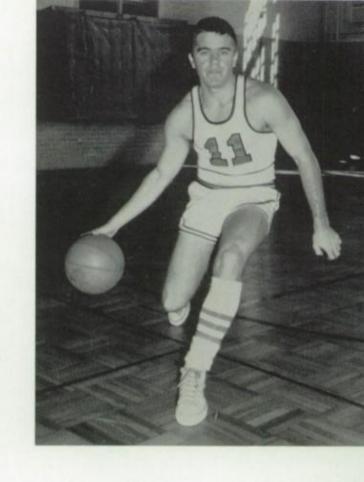

In his three years as head of the basketball program at Landon, Coach Leake has done an outstanding job, compiling a 41-35 record with only one losing season. He is regarded by many as one of the best basketball coaches in the city and has shown this in leading our team to a fine 17-8 overall record and 10-0 against Class A competition, making us a strong contender for the State Championship.

In this, our last year of varsity basketball competition and our first in Class A, we have seen to it that Landon will not soon be forgotten in the annals of basketball history. This year was marked by a solid team effort and tremendous school spirit. It will always be remembered as a great part of Landon's final and finest hour.

(Dec. 8, Bolles) The season opener was marred by poor ball handling and an inability to score on our part. Due to this the game was tied 48-48 at the end of regulation time. But a strong surge in the overtime period, outscoring the Bulldogs 9-2 gave us our first win of the season.

(Jan. 12, Landon) The second game against Bolles was never in doubt. Fastbreaks and a fullcourt press kept the game completely out of Bolles' reach. We hit an amazing 67% of our shots from the floor with Ellison and O'Neil each getting 17 points.

Landon 66 St. Augustine 38 67 50

(Dec. 15, Landon) St. Augustine presented little problem as we used a full court press and superior height to outclass the Yellow Jackets. Richard McEvoy captured the scoring honors with 17 points.

(Jan. 15, St. Augustine) This game was much a repeat of the first with St. Augustine unable to pose a serious threat.

Landon 72 Ribault 73 72 66

(Jan. 16, Ribault) Our first meeting with Ribault proved to be a disappointment. After leading by as much as 17 points in the first quarter our defense fell down and the Trojans closed the margin to only 7 at the half. We committed many fouls in the second half enabling Ribault to come back and win by one point.

(Feb. 13, Landon) In the second encounter, combining a tight man-to-man defense with accuracy from the foul line we led the whole game. McEvoy had his best night of the season, collecting 31 points.

Landon 61 DuPont 69 44 34

(Dec. 23, DuPont) We couldn't seem to get rolling in this game, shooting a rather low percentage from the field. DuPont was able to hold onto their lead staving off any attempt to pull out a victory.

(Jan. 30, Landon) In the second game we played a very slow ball-control type offense. Our lead was maintained through the entire game and this time had a high field goal percentage. Defeating the Dragons gave us a four game winning streak.

Landon 73 Lake City 63 70 47

(Jan. 29, Lake City) Lake City shot a high percentage of their shots and we found ourselves trailing by three points at halftime. It took a concerted effort and a fine 27 point performance by Ronnie Ellison to salvage a victory.

(Feb. 2, Landon) Playing in our gym we handled Lake City with ease. The win gave us our seventh straight victory over Class A opposition. Using a full court press we led at half time by 11 points. Three men scored in double figures.

Landon 66 Palatka 53 105 61

(Jan. 5, Palatka) A weak Palatka team posed no problem as we romped easily to another victory. Since we led by nineteen points at the half the reserves took over and Palatka closed the gap somewhat.

(Feb. 16, Landon) In our last home game of the season we reached the century mark for the only time this year. A very successful full court press used throughout the game kept Palatka off balance. The score at the end of the first period was 38-6. Palatka only scored as many points as they did because we let them shoot so we could regain possession. Ellison and O'Neil each had their best nights of the season with 30 and 29 points apiece.

(Jan. 19, Jackson) We got off to a slow start against Jackson on the Tigers' home court. The game was fairly even through the first quarter, but we managed to gain the lead going into the second period and held on the rest of the way. O'Neil turned in an excellent 23 point performance.

(Feb. 9, Landon) Behind at the end of the first quarter, and holding only a slight margin at half time, we switched from a man-to-man defense to a zone. The game was tight until the fourth period as we finally pulled ahead. Four men hit double figures with McEvoy and Ellison having 20 and 18 points respectively.

Landon 40 Cocoa 38 33 58

(Jan. 23, Landon) Cocoa High came to town with starting players over 6'5" and was rated 7th in the state. This was definitely our best game of the season. By playing a slow deliberate offense and a zone defense we were able to compensate for our height disadvantage. A skilled Cocoa team trailed by as much as nine points but was not able to overcome our inspired team effort.

Feb. 20, Cocoa) After a long road things wouldn't start clicking. This time the Tigers' superior height paid off and although the score was close at the end of the first quarter, Cocoa forged ahead to pull the game out of reach.

Landon 45 Parker 46 66 61 62 67

(Dec. 11, Parker) We played very poorly in the first half, especially the first quarter. The start of the second half found us trailing, and though we outscored them, as much as 16-3 in the fourth period, our comeback fell one point short of victory.

(Dec. 28, B.K. Christmas Tournament) In the second game the Braves were handled with very little trouble. We led by 20 points going into the last quarter but Parker was able to close the margin to six as Coach Leake emptied the bench. Good performances again were turned in by Mc-Evoy who scored 25 points and Ellison with 21.

(Feb. 6, Landon) Our final meeting with the Braves came on the crest of a six game winning streak. Overconfidence played a part in our playing below par. We could manage only a two point lead at the half. The game remained on even terms until late in the fourth quarter when we committed a rash of fouls allowing Parker to pull ahead.

#### Landon 54 Lee 63

(Dec. 31, B.K. Christmas Tournament) The loss incurred against Lee cost our winning the tournament. We went into the locker room at halftime trailing the Generals from Lee. Although we were able to close the gap to three points in the opening moments of the third period Lee's superior height took its toll and the game was kept out of reach.

#### Landon 45 Fletcher 46

A good, well coached Fletcher team caught us on a particularly off night. After a slow start in the opening period, we began to get rolling. But despite all our efforts we couldn't catch the Senators. A missed free throw in the last seconds of the game sent us down to our third, one-point defeat of the season.

Landon 74 Bishop Kenny 68 43 42 80 73

(Dec. 26, B.K. Christmas tournament) In the opening game of the tournament we defeated Kenny for the first time in three years. The game was never in doubt from the beginning. Men in double figures were McEvoy, 21 points, Ellison, 19, and Burton, 17 points.

(Jan. 8, Kenny) With both teams using tight defenses the game turned into a slow deliberate affair. We led 26-24 at the half and were able to hold on for a victory.

(Feb. 5, Landon) A much faster game than the previous ones we used zone and man-to-man defenses in breezing to our third straight win over the Crusaders. Four men hit in double figures with McEvoy copping top honors with 19.

### Junior Varsity Basketball

The city championship, a 22-3 record, winning the Bishop Kenny Christmas Tournament, handing Kenny its first home court loss in forty-seven consecutive games, and scoring over one hundred points in two games, highlighted this year's junior varsity basketball season. Coach Howard Roey led his team to the best season ever experienced by a Landon J.V. team. The baby lions met and defeated nearly all their opponents having very few games ever in serious doubt.

After a loss to Terry Parker in the second game of the season the J.V. went on to win eleven straight before its winning streak was broken by Bishop Kenny. The third loss did not come until almost the end of the schedule; again at the hands of Terry Parker. Twice this year the J.V. topped the century mark, scoring 104 points against Bolles and in their last game defeating Palatka by the phenomenal score of 126-26. This year's team being composed mainly of sophomores, it would have been interesting to watch these boys play together over the next two years. How well they might have done, however, must remain a moot question. But Landon's final J.V. season has been one that will be long remembered.

#### Baseball

Coaching baseball at Landon for the first time this year, Coach Roey expected his team to be a championship contender. A hard core nucleus of veterans returning from last year's team and some first year men, who are being counted on to bolster the lineup, comprise the last edition of baseball at Landon. With a potentiality for greatness this team has certainly been a credit to our school.

## Senior Class Poem

This will be a diary
A memory to keep
Forever and forever
In your heart so warm and deep.

This year has been a special one To each and every body, Who has attended Landon High So let's think back, shall we?

We faced this year knowing that It was Landon's last; So we had to do our very best As has been done in the past;

To keep her memory living, To keep her standards high; So the name of dear 'ole Landon, Shall never, ever die.

September was a rainy month, And Dora came to stay; She blew so hard, and rained so much We had a holiday.

Then school resumed, and with it Came football games galore. Our Landon spirit was ever so high Our players made the score.

Homecoming was just wonderful Of our sponsors we were proud Our traditional twirlers of fire, Made the crowd yell ever so loud

Then came the induction of N.H.S. Awarding those noble minds; And who could forget our Fall Festival The Student Council's job was fine.

Then came the annual Christmas Dance, So royal and grand, The King and Queen and court looked great The dance was successful as planned.

The annual Christmas Pageant, Which was Landon's very last Was truly a vision of beauty With its glorious cast.

The Senior Girls' Fashion Show Was a marvelous success, And who could forget the Senior Class Play Everyone was at his best. Basketball season was fabulous Our fellows were on the ball Then Sugar 'N Spice and everything nice Golly, remember it all?

Macbeth, grammar, and term papers Highlighted our English term; Mrs. Perkins furthered our knowledge In her goals she is certainly firm.

Between Mrs. Crutchfield's solid And Mr. McCorkle's A/C We tried to find a possible way To keep up our A's and B's.

Then we began to realize
Just a few more months to go;
Time was flying, the end drawing near,
Graduation time, you know!

The Prom was so magnificent It meant so very much, To each and every one of us For in our hearts it touched

Class night came traditionally And we shall never forget, The closeness and the sadness With which each of us met.

The final step we were to take Arrived; it seemed, too soon; Graduation day rolled right around In that magic month of June.

It seems graduation from Landon Meant more to us this year For not only were we leaving Landon, But her end was also near.

But no one can ever take away What we have in our hearts; Spirit and warmth for our Alma Mater, As we sadly depart.

So we, the last seniors of Landon High Leave you with our will: That Landon will always remain with you The greatest, as it is still.

We leave you now, and hope that we Can look at your Junior High And say with pride and dignity Landon shall never die!
